Mesyuarat Khas Jawatankuasa Pengurusan
Pada 6 Jun 2024 (Khamis) Jam 2:30 Petang,
Bertempat di Bilik Persidangan, Pusat Pengajaian Teknologi Industri

Hadir :	Profesor Madya Dr. Mardiana Idayu Ahmad	- Pengerusi
	Profesor Madya Dr. Japareng Lalung	
	Profesor Madya Dr. Uthumporn Utra @ Sapina Abdullah	
	Profesor Madya Dr. Yusri Yusup	
	Ts. Dr. Azniwati Abd. Aziz	
	Ts Dr. Nurul Fazita Mohammad Rawi	
	Puan Nooraida Mad Naser	
	Puan Rasslene Rass Rasalingam	- Setiausaha
Tidak Hadir : (Dengan Maaf)	Dr. Mohamad Hafizi Abu Bakar	
Jemputan :	Profesor Dato' Dr. Azhar Mat Easa	
	Profesor Dr. Liong Min Tze	

Pengerusi memulakan mesyuarat dengan memberi salam serta mengalu-alukan kehadiran semua ahli mesyuarat.

MINIT 1 : PERBINCANGAN PELAN TINDAKAN PUSAT PENGAJIAN TEKNOLOGI INDUSTRI TAHUN 2024

Pengerusi memaklumkan tujuan mesyuarat pada hari ini adalah untuk membincangkan Pelan Tindakan Pusat Pengajian Teknologi Industri bagi tahun 2024. Satu template/format telah diberikan kepada semua Ketua Jabatan untuk dilengkapkan dalam satu taklimat strategi Universiti Sains Malaysia 2024 pada 24 Mei 2024 yang lalu.

Pengerusi seterusnya memaparkan template/format Pelan Tindakan Pusat Pengajian Teknologi Industri kepada ahli mesyuarat. **Lampiran A**, adalah dirujuk untuk perhatian.

Setelah berbincang cadangan berikut diusulkan:

Bil	Cadangan	Tindakan
Cadangan Umum		
1	▪ Untuk setiap pelan tindakan dinyatakan: ▪ Apa yang perlu dicapai? ▪ Apa perlu dijalankan? ▪ Apakah sumber yang akan diperlukan. ▪ Perlu ada satu jadual pemantauan bagi mengukur pencapaian PTJ	Perlu melihat untuk setiap pelan tindakan yang dinyatakan.

Academic Excellence		
2	Cadangan mewujudkan JK Alumni ▪ Perlu wujudkan hubungan/aktiviti bersama alumni	TDA
3	Penawaran Program Sarjana Baharu ▪ Perlu wujudkan pemantauan penawaran	PR & TDA
4	Perlu tingkatkan bilangan kursus MOOCs / MC/ ODL (courses) yang dibangunkan (5 kursus) ▪ Perlu wujudkan pemantauan penawaran kursus	PR & TDA
5	Kenalpasti kolaborasi/kerjasama aktif dengan instutisi antarabangsa yang lebih 5 tahun	Perlu rujuk pejabat TDR untuk senarai MOA/MOU PPTI
6	Inisiatif program mobility pelajar -*Inbound* dan *Outbound*	Semak dengan IMCC berhubung punca kuasa.
7	Tingkatkan kuantiti pengambilan USM+1 programs (3 pelajar) ▪ Perlu wujudkan pemantauan ▪ Perlu wujudkan promosi	PR, TDA dan TDR
8	*No. of trainer trained by* CDAE ▪ Cadangan untuk melatih Dr. Maizura oleh pihak CDAE	PR, TDA dan TDR
9	Tingkatkan penglibatan pelajar dalam (unit beruniform/khidmat masyarakat/sukarelawan: ▪ 1 kursus Teknologi Persekitaran ▪ 1 kursus Teknologi Biosumber ▪ 1 kursus Teknologi Bioproses	PR, TDA dan TDR
Research Excellence		
10	*Enhancing the volume and quality of publications, particularly in Q1/2 tiers, by implementing a robust mechanism of grant outputs monitoring.* ▪ Wujudkan satu kaedah mentor di PPTI bagi membantu meningkatkan lagi bilangan penerbitan ▪ Perlu pastikan setiap pensyarah ada geran FRGS ▪ Wujudkan *Festival of Idea*	TDR perlu salurkan maklumat.
11	*Increase of research grant secured especially external grant – 80% 2025* *(4) Active grant scouting, systematically identify and select candidates to apply for grants* ▪ Wujudkan *Festival of Idea* ▪ Rujuk cadangan bengkel strategik PPTI 2023	TDR perlu salurkan maklumat.
12	*Intervention program during grant application as to align research directions with national agenda and global needs.* ▪ Wujudkan *Festival of Idea* ▪ Rujuk cadangan bengkel strategik PPTI 2023	TDR perlu salurkan maklumat.

13	*Increase number of Multi-, Transdisciplinary and Translational-type Research Programmes & international/ industry grant with substantial funding [[RUTrans, TRGS, SATREPS, SRF, TED-2, Translational, & international/industry grant [CREST]> RM 350K]]* ▪ Rujuk *niche area* PPTI dan setiap Bahagian Teknologi	TDR perlu salurkan maklumat.
14	Tingkatkan Bilangan *Matching Grant*	PR &TDR perlu salurkan maklumat.
Student Excellence		
15	HEBAT *Driven Students Flagship Program* ▪ Mengadakan engagement dengan penyelaras program ▪ PTJ wujudkan borang/kolum dalam borang AFTI agar dapat mengenalpasti SDG program yang dijalankan ▪ Semakan data B40 ▪ Peningkatan GE graduan (perlu dapatkan data terkini daripada pihak BHEPPA)	TDA perlu dapatkan maklumat dari BHEPPA
Service Excellence		
16	*Number of sustainability & disaster program/project related to sustainability Indicators* ▪ Perlu wujudkan pemantauan	TDR perlu semak maklumat
17	*Total funding from industry under USM-Industry Research Matching Grant and Industry Program* ▪ Tambahkan 1 geran dari Profesor Dr. Liong Min Tze	TDR perlu semak maklumat.
18	*Total of Graduate Research Assistant (GRA) under USM-Industry Research Matching Grant* ▪ *2 daripada* Profesor Dr. Liong Min Tze	TDR perlu semak maklumat.
19	*Total number of USM-Industry Joint Program (eg. WD, Intel, Oppstar, Renesas, MIMOS, CREST)* *KPI PTJ 2024 indicator:* *-Joint Training Programs* *-Other Industrial Engagement Initiatives* *-Collaborative Projects*	TDR perlu semak maklumat.
20	*Number of MoA/MoU for collaboration with the industry players* ▪ 1 daripada Dr. Hafizi Abu Bakar ▪ 2 daripada Profesor Dr. Liong Min Tze ▪ 1 daripada Profesor Madya Dr. Yusri Yusup ▪ 1 daripada Profesor Madya Dr. Japareng Lalung	TDR perlu semak maklumat dalam glosari dan pejabat IPSC.
21	*Numbers of projects from CE Grant (Internal)*	TDR perlu semak maklumat dalam glosari dan pejabat IPSC.
22	*Total number of schools join MRI3*	TDA perlu semak dan dapatkan maklumat.
23	*USM-Industry Engagement Program (eg. Meet & Greet Day, Career Fair)* *KPI PTJ 2024 indicator:* *-Joint Training Programs*	TDA perlu semak dan dapatkan maklumat. TDR perlu semak dengan pejabat

	-Other Industrial Engagement Initiatives *-Collaborative Projects*	IPSC berhubung pendapatan Bench Fee.
24	*Numbers of projects from CE Grant (Internal)*	TDR perlu semak maklumat dalam glosari dan pejabat IPSC.

Pengerusi mengucapkan ribuan terima kasih atas cadangan dan komen daripada semua ahli mesyuarat. Mesyuarat juga dimaklumkan bahawa Pelan Tindakan Pusat Pengajian Teknologi Industri tahun 2024 ini akan dimurnikan dan dibentangkan semua dalam mesyuarat Jawatankuasa Pengurusan PPTI akan datang.

Untuk Tindakan TP, TDR & Dekan

MINIT 2 : HAL-HAL LAIN

Tiada.

Mesyuarat ditangguhkan pada jam 4:15 petang dengan ucapan terima kasih daripada Pengerusi kepada semua yang hadir.

Disemak dan disahkan:-

PROFESOR MADYA DR. MARDIANA IDAYU AHMAD
Pengerusi

	STRATEGIC OBJECTIVE	KEY STRATEGY / KEY FOCUS AREA	STRATEGIC INITIATIVES (ACTION PLAN USM)	INDICATOR (tulisan merah ialah indikator KPI PTJ 2024 yang dijajarkan kepada Strategic Initiative TNC. PTJ boleh merujuk kepada indikator ini bagi meletakkan sasaran yang berkaitan)	TARGET USM 2024	TARGET PTJ 2024	ACTION PLAN PTJ 2024
A1	SO1 Academic Excellence	S3 Global Prominence S1 Competitive Academic Programs	Relevancy and competitiveness of academic program audit	No. of competitive program- GE more than National Average 89.8%	55		
A2			Revision of existing academic program to align with current need	Number of new programmes to be offered / revised	15		
A3			Internationalizing the curriculum and integrating global learning outcomes into academic programs	No. of dual/double /offshore degrees/others programs	10		
A4	SO1 Academic Excellence	S1 Competitive Academic Programme	Academic programme delivery enhancement by leveraging latest technology such as MOOCS, Micro Credential and various Open and Distance Learning delivery method	No. of MOOCs / MC/ ODL (courses) developed KPI PTJ 2024 indicator: Teaching innovations	280		
A5		S4 Innovative Life Long Learning	AI-enabled customized teaching learning based on IR4.0 technological platform.	No. of school with 1 Initiative. KPI PTJ 2024 indicator: Teaching innovations	10		
A6	SO1 Academic Excellence	S3 Global Prominence	Strategic collaborations with international partner institutions in jointly creating flexible teaching and learning experiences.	No. of initiative of collaboration in synergizing resources (E.g. teaching resources, physical infrastructure/facilities) at international partners' institutions that can be utilized by off-campus/offshore students. KPI PTJ 2024 indicator: Active academic collaborations	3		
A7	SO1 Academic Excellence SO3 Research Excellence	S4 Global Prominence S13 Global Prominence	Identify existing long-term (> 5 years) active research collaborations, joint degree etc.	No. of partnership with Europe, USA & Australia	20		
				No. of partnership with Asia Countries	40		
				No. of partnership with MENA Countries	10		
				No. of partnership with Southeast Asia Countries	30		
A8			Highly promising mobility initiatives	No of mobility student (inbound & outbound) KPI PTJ 2024 indicator: International Inbound International Outbound	1000		
A9	SO1 Academic Excellence SO3 Research Excellence	S4 Innovative Lifelong Learning	An incentive and reward system designed to encourage PTJs to develop executive and professional programs	No of the students enroll in the executive/ professional program	60		
A10			Boost the quantity of USM+1 programs.	No of student (enrolment)	550		
A11			Facilitate more schools in offering MOOC and micro-credential programs.	No. of PTJ's offering MOOC/ Micro-credential programs KPI PTJ 2024 indicator: Teaching innovations	35		
A12			Enhanced ecosystem and support for schools for MC/MOOC	No. of trainer trained by CDAE	35		
A13			Bridging / preparatory program bridging as a pathway into our undergraduate programs.	No. of bridging / preparatory program	3		
A14	SO2 Students Excellence	S5 Value Driven HEBAT students	Boost student participation inservice learning (unit beruniform/khidmat masyarakat/sukarelawan) component.	No. of Academic programmes/ project based on service learning programs	200		
A15	SO4 Service Excellence	S14 Championing Sustainability Led Initiatives	SDG elements driven curriculum	% of courses incorporating SDG elements	100%		

	STRATEGIC OBJECTIVES	KEY STRATEGIES/KEY FOCUS AREA	STRATEGIC INITIATIVES (ACTION PLAN USM)	INDICATOR (tulisan merah ialah indikator KPI PTJ 2024 yang dijajarkan kepada Strategic Initiative TNC, PTJ boleh merujuk kepada indikator ini bagi meletakkan sasaran yang berkaitan)	TARGET USM 2024	TARGET PTJ 2024	RUJUKAN: CADANGAN ACTION PLAN OLEH RNI UNTUK PTJ	ACTION PLAN PTJ 2024
R1	SO3: Research Excellence	S13: Global Prominence	(1) Implementation of co-publication with industries, agencies, universities and international collaborators (e.g. top 100 universities).	Yearly increment of total citations KPI PTJ 2024 indicator: Total Citations	240,000			
R2			(2) Devising mechanisms for increased visibility and gaining citation from publication.					
R3	SO3: Research Excellence	S13: Global Prominence	(3) Enhancing the volume and quality of publications, particularly in Q1/2 tiers, by implementing a robust mechanism of grant outputs monitoring.	Yearly increment of Publication Number [Scopus] KPI PTJ 2024 indicator: Articles in SCOPUS/WOS/ERA indexed journals	5500 (Q1=1,531)			
				Yearly increment of Q1/2 Publication [WoS] KPI PTJ 2024 indicator: Articles in Q1 and Q2 journals	2900 (52%)			
R4	SO3: Research Excellence	S13: Global Prominence	Increase of research grant secured especially external grant – 80% 2025 (4) Active grant scouting, systematically identify and select candidates to apply for grants	Increase % external grant	73%			
R5			(5) Intervention program during grant application as to align research directions with national agenda and global needs.	Increase of % PI KPI PTJ 2024 indicator: PI of active grants	82%			
R6	SO3: Research Excellence	S9: Current & Future Niches	[6] Systematically identify and select candidates to apply for multi-, transdisciplinary and translational-type grant to establish Flagship Programme with research clusters that align with national agenda and embedded with element of SDGs & leverage Centers of Excellence (CoE) to lead these efforts.	Increase number of Multi-, Transdisciplinary and Translational-type Research Programmes & international/ industry grant with substantial funding [[RUTrans, TRGS, SATREPS, SRF, TED-2, Translational, & international/industry grant [CREST]> RM 350K]]	15		1)PTJ especially COEs to be more proactive in getting multi-, transdisciplinary & translational-type grant. 2) Moving from fundamental type grant to more applied and translational in nature. 3) Identify niche within PTJ. Allocation of recourses. 4) COE to identify niche properly and align all activities including experts/personnel with it.	
				Increase number of Targeted & Flagship/Niche R & D Programmes	4			
R7	SO3: Research Excellence	S11: Trans-Clusters S12: COE to HICOE	Mobilizing COE to lead niche research and/or transdisciplinary research aligned with National Agenda and Global Challenge	Action Plan for CoE to HiCOE: 1) Device mechanism to move COE to HiCOE. 2) Fill in the Instrument. SWOT. 3) Championing one niche area. Expert Directory to Database 1) Provide information in the expert directory	4			
R8	SO3: Research Excellence	S10: Research to Market	**Entrepreneur Talent Development** Adopting Open Education concept for accelerator Program for PITCH@USM and SUSO pool	Numbers of Talent from pitch/SUSO	10 person			
R9			**Entrepreneur Talent Development** Implementing entrepreneur training and workshop on specific topic to boost entrepreneurial drive in innovation via partnership model.	Number of programs/ Amount of External Investment for SUSO	15 programs			
R10			**Driving Invention Disclosure/Managing IP** IP Filing, Maintenance, and self drafting initiatives	Numbers IP Disclosure and Filing i Patents application per yea ii.patent search ii. Patents filing per year iii. Other IPR (ID, Copyright, Trade Secret etc)	i. 66 ii. 45 ii. 36 iii. 390			
R11			**Infostructure-Digitalization** To develop Digital infrastructure (online system) that facilitate the IP application, assessment, endorsement, provide feedback and generate report	Functional Digitalization system	1 (add IP session, PRIME grant)			

R12			**Foster sustainable product commercialization or technology licensing** Foster TL KPI using background IP for Industrial and Matching Grants using 5% management fees	Number of TL KPI PTJ Indicator 2024 -Commercialized product/Technology or know-how licensing	6			
R13			Technology Licensing (TL) fee for all SUSO	Number of TL KPI PTJ Indicator 2024 -Commercialized product/Technology or know-how licensing	8			
R14			**Fostering sustainable Start-Up** Complete the comprehensive SUSO policy, endorse by legal and USM Governance	Number of policy	Policy & Guideline SUSO endorsed by Ministry			
R15			**Fostering sustainable Start-Up** Foster and promote innovation and commercialization.	Number of products KPI PTJ Indicator 2024 -Commercialized product/Technology or know-how licensing -Patents granted, industrial design, copyrights, trade secrets	New Product: 10 Consistent Product: 5			
R16			**Fostering sustainable Start-Up** Accelerator programme and research leave 3 months/ sabbatical/ secondment for researchers	Number of start-up KPI PTJ Indicator 2024 Start-up/Spin-off (SUSO) companies	2			
R17			**Fostering sustainable Start-Up** Implementing entrepreneur training and workshop on specific topic to boost entrepreneurial drive in innovation via partnership model.	Number of programmes/Amount of External Investment for SUSO/Job employability	15 programs/RM1 million/50 jobs			
R18			**Brand building** Brand Building & Strengthening Partnership collaboration via Conference and Exhibition-Malaysia Inventor and Innovator Convention (MyIIC) and exhibition INNOZILLA	Industry & Investors Engagement programs KPI PTJ 2024 indicator: -Joint Training Programs -Other Industrial Engagement Initiatives -Collaborative Projects	2 events (MyIIC and Innozilla			
R19			**Brand building** To participate in exhibition , petri-dish and tech profile MRANTI	Industry & Investors Engagement programs KPI PTJ 2024 indicator: -Joint Training Programs -Other Industrial Engagement Initiatives -Collaborative Projects	2 (MTE, Leave a NEST)			
R20			**Impact Driven Industrial Projects via DTD** Promote Cash donation and grant under DTD in every internal and external events (Gear-Up) organised by USM	Number of DT grant/amount	20/RM1.5million			
R21			**Impact Driven Industrial Projects via PRIME Matching Grant** PRIME Grant - Facilitate IP commercialization in USM via DTD matching/industrial grant. Offer grant (maksimum 50K USM; minimum 30K Industry-DT). TL the background IP by industry with min 10K K. Expected 50% to proceed with commercialization of foregrant IP with JV/ Spin Off	Number of Matching Grant	6 projects			

	STRATEGIC OBJECTIVE	KEY STRATEGY / KEY FOCUS AREA	STRATEGIC INITIATIVES (ACTION PLAN USM)	INDICATOR (tulisan merah ialah indikator KPI PTJ 2024 yang dijajarkan kepada Strategic Initiative TNC. PTJ boleh merujuk kepada indikator ini bagi meletakkan sasaran yang berkaitan)	TARGET USM 2024
H1	SO2: Students Excellence	S5: Value Driven HEBAT Students	HEBAT Driven Students Flagship Program	Number of Student Society Program	50
H2				Number of Student Society Program (Sustainability Development Goals (SDG))	150
H3				Number of PIMPIN & Innovative/creative program	2 (completed in Q2 and Q4)
H4				Number of B40 Development Program	3 (completed in Q2 and Q4)
H5				Number of B40 student attended	300
H6				Number of HEBAT Gold medal recipient KPI PTJ 2024 indicator: Students Winning Awards	1 (completed in Q4)
H7				Estimated Percentage of GE KPI PTJ 2024 indicator: Graduate Employability (GE) UG Graduate Employability (GE) PG	86.40%

TARGET PTJ 2024	ACTION PLAN PTJ 2024

	STRATEGIC OBJECTIVE	KEY STRATEGY / KEY FOCUS AREA	STRATEGIC INITIATIVES (ACTION PLAN USM)	INDICATOR (tulisan merah ialah indikator KPI PTJ 2024 yang dijajarkan kepada Strategic Initiative TNC. PTJ boleh merujuk kepada indikator ini bagi meletakkan sasaran yang berkaitan)	TARGET USM 2024	TARGET PTJ 2024	RUJUKAN: CADANGAN ACTION PLAN OLEH BJIM UNTUK PTJ	ACTION PLAN PTJ 2024
J1	SO4: Service excellence	S14 Championing Sustainability Led Initiatives F8 APEX Branding	Integrating the elements of SDGs into every program organized by PTJs and student programs aligns all activities with the USM Sustainability Policy 2014 (revision 2024) and Sustainability Indicators	Number of sustainability & disaster program/project related to sustainability Indicators	60		AP1 : Integrating the elements of SDGs into every program organized by PTJs and student programs Aligns all activities with the USM Sustainability Policy 2014 (revision 2024) and Sustainability Indicators Each PTJ implements at least 1 sustainability program	
J2			Implementing Green Office and sustainability audits at the workplace and hostel is essential for integrating best practices of sustainability into the university governance system	Number of offices assessed on sustainability audit (Green Office/Desasiswa)	117		AP 2: Implementing Green Office and sustainability audits at the workplace and hostel Integrating best practices of sustainability into the university/PTJ governance system	
J3	SO4 Service Excellence	S15 Impactful Industrial Collaboration	Enhancing funding revenue from industry engagement	Total funding from industry under USM-Industry Research Matching Grant and Industry Program	RM 1500000		AP1 : Enhancing funding revenue from industry engagement Promote USM-Industry Research Matching Grant & External industry grant	
J4			Promoting impactful industry-driven postgraduate programs (by research or thought courses) to produce talent relevant to the industry	Total of Graduate Research Assistant (GRA) under USM-Industry Research Matching Grant	10		AP2: Promoting impactful industry-driven postgraduate programs (by research or thought courses) to produce talent relevant to the industry	
J5			Identify academic program/PTJ involved with field supervisor/co-supervision from industry	Total of field Supervisor from industry under USM-Industry Research Matching Grant	7		AP3: Promote academic program/PTJ involved with field supervisor/co-supervision from industry	
J6			Identify and monitor shared resources activities including joint lab equipment, joint facilities and join setup lab and other facilities with the industry	Total number of USM-Industry Joint Program (eg. WD, Intel, Oppstar, Renesas, MIMOS, CREST) KPI PTJ 2024 indicator: -Joint Training Programs -Other Industrial Engagement Initiatives -Collaborative Projects	2		AP4 :Increase collaboration for sponsored teaching resources activities including joint lab equipment, joint facilities and join setup lab and other facilities with the industry	
J7			Engage and offers co-funding to distinguished industry partners	Number of MoA/MoU for collaboration with the industry players	20		AP5 :Engage and offers co-funding to distinguished industry partners	
J8			Intensifying high impact industry engagement projects through translational research that is current and relevant to the industry	Total of researcher as PI of USM-Industry Research Matching Grant	15		AP 6: Intensifying high impact industry engagement projects through translational research that is current and relevant to the industry	
J9			MOHE Research & Industry-Infused Incubator (MRI3) - Industry-based Final Year Projects	Total number of USM students under MRI3	200		AP7: MOHE Research & Industry-Infused Incubator (MRI3) - Industry-based Final Year Projects	
J10	SO4 Service Excellence	S15 Impactful Industrial Collaboration	Promoting Academic Program to infuse industry element in the program	Total number of schools join MRI3	3		AP8 :Promoting Academic Program to infuse industry element in the program Develop USM-Industry Special Program (eg. Joint lab & facilities, Sustainable research program)	
J11			Engagement with Industry Partners	USM-Industry Engagement Program (eg. Meet & Greet Day, Career Fair) KPI PTJ 2024 indicator: -Joint Training Programs -Other Industrial Engagement Initiatives -Collaborative Projects	8		AP 9: Engagement with Industry Partners Increase co-joint engagement program (Penang Career Day, Academia-Industry Engagement, Finishing School)	
J12	SO4 Service Excellence	S16 Impactful Community Collaboration	Implementing 30 effectual or impactful projects (low cost, fast return on ROV, sustainable)	Numbers of projects from CE Grant (Internal)	35 projects		AP1 :Implementing effectual or impactful projects (low cost, fast return on ROV, sustainable) Assistance from TDRs is needed to promote applications focused on innovation in products or services, not just modules	
J13			Executing 10 collaborative projects and ensuring that external grant projects are registered and documented	Numbers of projects from CE Grant (External)	12 projects		AP 2: Ensuring that external grant projects are registered and documented Assistance from TDRs is needed to ensure that grants obtained by researchers are registered and recorded for MyRA requirements.	
J14			3 strategic collaborations for the USR Program for existing/new stakeholders	Number of new stakeholders/ future partnerships to colloborate in USR/Programmes	5 collaborations		AP 3: Enhancing strategic collaborations for the USR Program with existing and new stakeholders Collaboration and support from PTJs in workforce, finances, and student involvement, as seen with the Program Pendidikan Gelombang Haba
